# RED CHINA IS JEW CHINA: THE DISTURBING ORIGINS OF CHINESE COMMUNISM AND THE DEEPENING CHINESE-'ISRAELI' TIES OF TODAY

**by Jonathan Azaziah**

You wouldn't know it upon first glance, but China and the Jews are chum-chum-chummy. It's a historical relationship that goes back to the very inception of Chinese communism. In a July 9th, 2012 piece entitled "***A Jew In Mao's China" by Laura Goldman for "The Schmooze" of the Jewish Daily Forward***, she revealed, "In fact, 85 to 90% of the foreigners helping the Chinese at the time of the Communist takeover were Jewish. This included the daughter of the founder of the brokerage firm Goldman Sachs, who left the comfort of her Park Avenue home to assist the Chinese." In conjunction with these startling anomalies, the US ZOG had a base in Tianjin from 1945-1947. Tianjin was home to a sizable Jewish community, particularly Russian communists. It was from the Tianjin base that the Dixie Mission of the OSS trained,

financed and armed none other than Mao Zedong and his merry band of "revolutionaries" to fight the Japanese–which, contrary to popular opinion, weren't "imperialists" nor "warmongers" but rather, liberators of Brown and Yellow peoples colonized by the ZOGs of Europe. That however is another story for another time.

The OSS itself was a den of Jewish and Judeophilic intriguers, set up for the sole purpose of infiltrating and ultimately destroying Germany and Japan. There were a multitude of Jewish operatives who were brought into the fold strictly because of their Jewishness and connections with businessmen and bankers in Europe who also sought the downfall of the Axis Powers. Leading this effort in organizing, coordination and recruitment was Nahum Amber Bernstein, the lawyer for the genocidal Jewish Agency and preeminent funder of the Haganah. Another key OSS operative was the notorious Major Louis Mortimer Bloomfield, a wealthy Montreal-based lawyer who was also connected to the Haganah as well as a main player in Permindex, the shadowy Jewish-dominated corporation that helped murder President John F. Kennedy. These are the types who the Chinese communists took assistance from. No dignity whatsoever as just a few decades earlier, the Sassoon family, known as the Iraqi-Jewish Rothschilds, crippled large swathes of the Chinese population with opium addiction. All of this, as well as what is about to be discussed, is extremely relevant as the Chinese-'Israeli' relationship of today unfolds at an increasingly expansive rate. Now allow us to delve into Red China's Jewish patrons. And founders.

Grigori Naumovich Voitinsky (birthname: Zarkhin) – Russian Jew. One of the founders of Soviet Sinology. Handler of Chen Duxiu. Cofounder of the Chinese Communist Party, which he and his colleagues established in 1920. Bolshevik. The process of forming the party in its nascent stages can mostly be attributed to his strategic thinking. Bolshevik propaganda was disseminated through the Shanghai Chronicle–which he managed. He can indeed be identified as the godfather of Chinese communism as well as other branches of communism in the Asian world.

Manfred Stern aka Emilio Kléber aka Lazar Stern aka Moishe Stern aka Mark Zilbert aka General Kleber – Ukrainian Jew. Leader of the International Brigade in Spain. Bolshevik. Helped put down the anti-Soviet rebellion in Mongolia. Became the GRU's chief spy in the US with his missions centered around stealing American military secrets. Would become the chief military advisor in the Jiangxi–Fujian Soviet, with Mao, Zhu De and others reporting directly to him.

Solomon Adler – Jew with origins from Karelitz, Belarus. US Treasury Department economist, Treasury rep in China during WW2. Pegged as a Soviet spy by Whittaker Chambers, returned to China to spearhead translating Mao's works into English. Was also with the International Liason Department, a vital organ of the CCP whose functions included foreign intelligence.

Henry Kissinger – Among history's worst human beings. ***Involved in a slew of genocides, massacres, war crimes, destabilizations and other acts of psychopathy–particularly in Asia.*** Masterminded the opening of

trade with China and sold out America's manufacturing power to the Chinese. Grandsire of transmogrifying China into a commie state to a cappy state.

Jakob Rosenfeld aka General Luo – Austro-Hungarian Jew. Minister of Health in Mao's provisional government and top Mao advisor. Served in the Chinese Communist Force from 1941 on and participated in the Chinese Communist Force's march on Beijing. Settled in the Entity after the Communist takeover of China was complete. Statue of him was erected in his honor in Junan county, Shandong and a massive exhibit was named after him in 2006 in Beijing's National Museum of China.

Sidney Rittenberg – Charleston, South Carolina Jew. Descendant of slave-owners. First American to join the CCP. Close advisor to Mao, Zhu De, Zhou Enlai and other high-up CCP leaders. Trusted translator of the Chinese Communist "revolution". Married into the Chinese family of Wang Yulin. Cultural Revolution supporter. Played a key role in transmitting Chinese Communist propaganda for Xinhua and Radio Peking. Ascended to the head of the Broadcast Administration – i.e. propaganda production – in an unprecedented move that nobody ever thought could be held by a foreigner. But in Communist China of course, Jews weren't foreigners but "comrades". Returned to the United Snakes of IsraHELL in 1980 to found Rittenberg & Associates, a company which became a vital go-between for American corporations and China.

Sidney Shapiro aka Sha Boli – New York Ashkenazi Jew. Member of the Chinese People's Political Consultative Council. Head of Communist China's propaganda apparatus. Top translator, writer and publisher of works on China, as well as an actor in Chinese films focused on American villainy. Conducted extensive research into Jews in China and got the works translated into Hebrew and published in the Entity. In December of 2014, the China International Publishing Group announced it was establishing a Sidney Shapiro Research Center in his honor to investigate model criteria for translation between Chinese and English.

Israel Epstein – Polish Jew. Anti-Japanese spy. His father was a Bolshevik agitator. Member of the NKVD's China divison. Mao's Minister of Finance/Appropriations. Honored by Mao, Zhou Enlai, Deng Xiaoping, Jiang Zemin and Hu Jintao. Member of the CCP and editor of China Reconstructs/China Today. His wife was a top contributor to one of the most widely used Chinese-English dictionaries published in China.

Frank Coe – Richmond, Virginia Jew. Treasury Department official from 1934-1939 who worked with the Silvermaster spy ring that featured Harry Dexter White at the head of Operation Snow–the precusor to Pearl Harbor. Friend and co-conspirator of Solomon Adler. Key player in Mao's Great Leap Forward.

Robert Lawrence Kuhn – Jewish investment banker, Kissingerite and international corporate strategist with an "expertise" in China. He's been advising the CCP on economic policy, science, technology, media,

culture, US-Chinese relations and international communications for over 20 years.

Mikhail Borodin aka Mikhail Gruzenberg – Jew from Vitebsk, Belarus. Top lieutenant of Lenin. After the Bolshevik takeover, he engaged in spying activities in the UK ZOG, US ZOG and Mexico. Then led a group of Soviet advisors in Guangzhou. He negotiated the First United Front between the Chinese Nationalist Party of Sun Yat Sen and the Chinese Communist Party. Under his guidance, both parties re-organized on Leninist dogma and organized training institutes for mass organizations, such as the Peasant Training Institute, where none other than a young Mao served, and the Whampoa Military Academy. He arranged shipments of Soviet arms and kept a balance between the radical communists and the "bourgeios" Nationalists.

David Crook – Staunchly anti-Russian Jewish supremacist from the UK. Fought with many other Jews in the International Brigade during the Spanish Civil War. Got recruited by the NKVD as a result of his actions in Spain and was sent to China where he also doubled as a British intelligence agent, working with communists against the Japanese. An architect of China's foreign service and active in the CCP's theft of private property, aka "land reform".

Adolph Abramovich Joffe – Turkic Karaite Jew from Crimea. From a very wealthy family. Associate of Trotsky and Hungarian-Austrian Jew Alfred Adler. Ally and supporter of Lenin. Chairman of the Petrograd Military Revolutionary Committee that overthrew the Russian Provisional Government. Ambassador to China, signing agreements with Sun Yat-Sen and overseeing the distribution of aid and weapons to the Kuomintang as well as cooperation between the Kuomintang and the Chinese communists.

Richard Frey aka Richard Stein – Jew from Vienna, Austria. Arrived in China in 1939 and joined in operations against the Japanese. Member of the CCP and took part in the 7th National Congress of the Communist Party of China in Yan'an – the political and military base of the Communist Party of China– as a guest auditor. Pioneer of Integrative Medicine Treatment in China. He founded and managed the first computer database for the medical information center in Beijing. Chairman of the Information Institute and curator of the Medical Academy of Sciences of China. Helped build relations between Austria and China. Honored by Hu Jintao.

Shafick George Hatem aka Ma Haide – Syrian-Lebanese Jew often mistaken as a Maronite who lived in both upstate NY and Lawrence, MA. First traveled to China's Shanghai with Jewish colleagues (and communist agents) Lazar Katz and Robert Levinson. Traveled to communist HQ in Bao'an (modern-day Zhidan) to directly assist Mao's troops and personally examine Mao to dispel rumors of Mao's impending death via a mysterious disease. Chief organizer for recruiting foreign medical personnel to treat Chinese communist forces fighting Japan in northern China. Became a public health official in China after the communist victory in 1949 and holds the distinction of becoming the first foreigner granted Chinese citizenship. Known as the "American Physician Savior to Modern China".

Hans Shippe aka Morzec Grzyb – Jew from Krakow, Poland. Germany Communist Party member. Soviet journo. Joined Chinese communists in Guangzhou as a translator and interviewer, spreading interviews with top CCP leaders including Mao. Associate of Shafick George Hatem (Ma Haide). First Jew to fall on the battlefield in China's war against Japan. Monument erected in his honor by Chinese communists in 1942 in Shandong province.

Ruth Weiss aka Wei Lushi – Jew from Vienna, Austria. Said to be the last surviving European eyewitness of the Chinese communist takeover of China. Top educator at the Jewish School in Shanghai, the School of the Chinese Committee of Intellectual Cooperation and West China Union University. Did propaganda work for the Publishing House for Foreign Literature and financial work at the China Welfare Fund. Named one of eleven foreign experts by the Communist Party of China that were part of membership of the Chinese People's Political Consultative Conference in 1983.

Rewi Alley – Crypto-Jew, homosexual and probable pedophile from New Zealand. Associate of Ma Haide, Ruth Weiss and Hans Shippe. Became a secret member of the CCP in the late 20s/early 30s and by 1932, was carrying out mission after mission for the communists. Set up the Chinese Industrial Cooperatives to bring in foreign and local high-born money for the war against Japan. Credited with introducing "guerilla industry" to China. Became a top propagandist for the new regime, writing works praising the CCP and its actions nationwide, including the Great Leap Forward. Bragged of his "familial" ties to the CCP's top brass, including Mao. Rewi Alley Memorial Hall and Research Centre at Lanzhou City University College erected in his honor in 2017. Also honored with the Queen's Service Order by the New Zealand ZOG and was instrumental in forging strong bonds between Beijing and Wellington.

Betty Chandler aka Chen Bidi – Jew from Manitoba, Canada. Close to Israel Epstein and Sidney Shapiro. CPPCC member. Active participant in the management of Red China's state affairs. Worked as a medical professional on the front lines against Japan as well as a propagandist, disseminating pictures of alleged Japanese atrocities to US papers as a means of defending the Chinese communist narrative. Carried on the hasbara work at the Publishing House for Foreign Literature, serving as an English-language lecturer.

Hans Miller – German Jew. Came to China in 1939 and held the title of director in at least four different hospitals. CCP and CPPCC member. Trained with Mao and participated in fighting against the Japanese. Helped develop medical science in China and was appointed VP of Beijing Medical University. His contributions during the war against Japan were said to have been critical, especially in Yanan.

Gunther Stein – German Jew. Soviet spy and Red China spy part of the Sorge spy ring. Used his journalist credentials with AP, the Manchester Guardian and the Christian Science Monitor to mask his clandestine activities and deflect attention off the fact he was disseminating propaganda on behalf of the communists. Wrote the book "Challenge of Red China", celebrating the defeat of Japan and new regime of communism. Today this book is touted by none other than the Rothschild-bankrolled CFR.

Philip Jacob Jaffe – Ukrainian-Russian Jew from NYC's Lower East Side. Co-founder and policymaker of the Committee for a Democratic Far East Policy (CDFEP). Associate of Israel Epstein and Gunther Stein, who were both CDFEP members. Function of the CDFEP was to instill communism deep into Chinese society through anti-Japanese propaganda. Met with Mao as early as 1924. Published the journal "Amerasia" with money from the Judeophilic Vanderbilts. Amerasia was raided by government authorities for publishing classified materials and Jaffe along with his colleagues and his presumed source, a Jewish Office of Naval Intelligence officer named Andrew Roth, were arrested for espionage. Was a friend and financier of Thomas Arthur Bisson aka T.A. Bisson aka Arthur, a propagandist for Chinese communism in America, suspected Soviet spy who collaborated with Jewish agent of the Soviets Joseph Bernstein, and prolific anti-Japanese writer.

Eva Sandberg aka Eva Xiao – Polish-German Jew. Soviet citizen and spy. Known as the "Only White Western Woman in Yanan", she married Chinese poet Xiao San, an old classmate and boyhood friend of Mao. She helped Xiao run the editorial department at the Lu Xun Academy of Arts and disseminate communist thought. Was also just one of three Soviet women in all of Red China.

Ursula Kuczynski aka Ruth Werner aka Ursula Beurton aka Ursula Hamburger aka Sonja (codename) – Prussian-German-Polish Jew. Her father, Robert Rene, was a well-known and wealthy economist. Her Yahoudling husband, Rudolf Hamburger, was an architect of the German Communist Party and also a Soviet spy who worked with her in China. Infiltrated MI5, the Royal Air Force and the OSS. Eulogized by the Jew York Times as a "Colorful and Daring Soviet Spy". Attained the rank of Colonel within the Soviet military. Awarded the Order of the Red Banner for her espionage in China. She ran a spy ring in Shanghai and her missions prominently featured the interception of Japanese communications and sabotage of Japanese military positions in Manchuria. She stored weapons and secured bomb-making materials for Chinese communist guerillas. It is said that Japan would not have pulled out of Manchuria had it not been for her work. Collaborated with the Rosenbergs, David Greenglass, Harry Gold and Klaus Fuchs to get classified nuclear armaments info to the Soviet Union and is credited particularly with being responsible for ***the transmission*** that started the Soviet nuke program. Fuchs, for the record, was recruited into services for the Soviets by none other than her brother Jurgen Kuczynski, an internationally renowned economist.

Michael Menachem Greenberg – Polish-Romanian-British Jew. Managing editor of the Institute of Pacific Relations (IPR) publication, "Pacific Affairs", where he disseminated a heavily anti-Japanese line. He became a China specialist at the Board of Economic Warfare and an assistant to the agency's head, Lauchlin Currie–who was revealed to be a Soviet spy connected to Jew Harry Dexter White and the Silvermaster espionage ring. Later worked as a Foreign Affairs Economist in the Administrative Division, Enemy Branch, of the Foreign Economic Administration. His tasks involved finding ways to economically squeeze Japan. Revealed to be a spy for Red China by the investigations of Joseph McCarthy, whose "red-baiting" wasn't so immersed in paranoia, megalomania and bigotry as liberals (mainly Jews) would have the world believe. Ultimately escaped prosecution and imprisonment and returned to England

where he wrote the hasbara book, "British Trade and The Opening of China", attacking the British for colonially exploiting China in the Opium Wars but deliberately obfuscating the role of the actual opium traders–the aforementioned Mizrahi Jewish Rothschild lieutenants, the Sassoons.

Mark Gayn aka Mark Julius Ginsbourg – Russian-American-Canadian Jew born in Manchuria. Schooled in Russia's Vladivostock, China's Shanghai, California's Claremont and New York's New York City (Columbia). Writer/journalist for the Jew York Times, Washington Post, Time, Toronto Star and Newsweek. Worked for and passed info to the spy den masquerading as a journalism magazine of Philip Jacob Jaffe, Amerasia. His home was raided by the FBI and 60 classified documents were found. Declassified FBI files reveal that he was Soviet/Chinese spy who had stolen these OSS documents, which related to Chiang Kai-shek's battle plans against Mao. The theft of this info proved crucial in the Chinese Communist Force defeating Chiang Kai-shek and attaining power. Inexplicably, despite the arrest following the raid on his home, he was let go under the pretext that he would serve as a double agent for America but this never materialized. More probably however, it was Jewish Lobby pressure and his importance to the Maoist cause that procured his release. Said to have obtained information that JFK was going to be assassinated–significant considered the Jewish-'Israeli' role in that crime. Traveled to the Soviet Union every year between 1964-1970, not to mention multiple visits to China and was able to get two sit-downs with Mao–more than likely because of his spying almost 20 years earlier.

In conclusion–and a damn clear conclusion at that–there'd be no communism in China without the contributions of these Jews and many others still to be discovered and documented. From the subversive efforts of Gayn and Kuczynski, to the state-building efforts of Epstein, Chandler and Shapiro, to the primordial efforts of Stern and the godfather of them all, Voitinsky. Also, China would not have become the world power it is today if Henry Kissinger hadn't opened up the doors to trade. Moving further forward, as discussed at the start, we see China becoming disturbingly more ingratiated with the 'Israeli' entity in the fields of military, intelligence and technology cooperation as time goes on–no doubt an extension of Jewish-Chinese familiarity going back almost a century.

Jonathan Pollard, the Jewish-Zionist traitor and most destructive spy in American history, gave classified intel to 'Israel' which then sold the bombshells to Beijing and he passed stolen secrets to China directly too–at the behest of his "Tel Aviv" handlers and to help his wife's business plans. 'Israel' and China worked hand-in-glove during Operation Cyclone to bring down the very Soviet Union that made Chinese governance "red" in the first place! ***In 1982, 'Israel' provided the Chinese with advanced missile tech and upgraded their tank fleet. This turned into a full-blown defense relationship that prospered after the events at Tiananmen Square.***

As it stands at this moment, ***'Israeli'-Chinese bilateral trade has reached a whopping $13 billion, about 260 times what it was in 1992*** when it was just starting to take off due to the military ties. Chinese students are flocking to the usurping Zionist entity in record numbers for studies, especially technology, which

means, whether they know it or not–though you better believe that the 'Israelis' know it for certain–they're being tapped as Talpiot fifth columnists when they return to China. There are extensive, regular direct flights operating between "Tel Aviv" and Beijing, Shanghai, Guangzhou, Chengdu and Hong Kong–which aeronautically links the Zio-Tumor to major cites of China's north, south, east and west.

***China's explicit backing of the Saudi war on Yemen***–a ***Zionist war through and through***–is another blatant display of Chinese-'Israeli' collusion. Chinese Vice President Wang Qishan is currently visiting the illegitimate 'Israeli' regime and he said unequivocally that ***"cooperation" between the two "needs" to be "taken to the next level". Baby-killer Netanyahu called China "very important"*** for the Jewish gangster "state". We see their words coming to fruition already as China has been given control of two 'Israeli' ports, including occupied ***Haifa where the 'Israeli' enemy maintains its nuclear submarine array*** –signifying that the genocidal Halakhic-Talmudic regime sees Beijing and its "One Belt, One Road Initiative" as vitally integral elements of its security along with its hegemonic system.

This isn't to say that there aren't nuances. Mao locked up several of the Jews mentioned in this piece for overstepping their limits and he went against the advice of those who still curried favor with him when he decided to provide arms and military training to Palestine's PFLP–which ended due to pressure from who else but war criminal Henry Kissinger. He always seemed to be teetering on standing with the peasantry from which he came and the Jewish-led international hegemonists who sought to turn China into "theirs" since they couldn't break it with the opium pandemic. And he always sold out to the latter.

We are aware of the involvement of the CIA in destabilizing China on numerous fronts. Tiananmen Square (Operation Yellow Bird) comes to mind–the NED and ***George Soros were involved too***–as does Taiwan, where neocon Jews led by ***Michael Goldfarb and his Orion Strategies LLC seek to maintain sedition and division***, and of course Tibet, where the ***CIA has been active for nearly 6 decades. Nearly everything you read about Tibet in the Western press is from the CIA. Even the Dalai Lama is a paid stooge of the Company.*** Moreover, the latest bunch of hasbara about ***"Uyghur Muslim internment camps" is more Sorosite-NED trash,*** meant to obfuscate the very real Turkish-Saudi-American-'Israeli' covert interventionism in backing Takfiri terrorists in the Xinjiang Uyghur Autonomous Region. And lest we forget that these very same ***Uyghur Takfiri terrorists, who flocked to Syria in big numbers as foot soldiers for Zion, literally look to 'Israel'–that's right, 'Israel'–as their model for a "homeland".***

But fighting back against imperialist meddling with 'Israeli' technology and military support doesn't make you an anti-imperialist superstar nor will it endear you to millions of Muhammadi-Husseini revolutionaries seeking to liquidate the transhistorical framework of oppression led by Islam's greatest enemy. Hell, it doesn't endear you to revolutionaries PERIOD–Muslim or otherwise. What it makes you is a lollygagging fool. Because 'Israel' is playing every side while it further cements its global dominance and paves the way for its Dajjalic false messiah–we see it already with the previously noted Uyghurs. 'Israel' will discard China to the curb just like it does with all other Shabbos Goyim. So this piece, apart from its fact-finding nature, is also meant to serve as a warning to our Chinese brethren who have Anti-Parasitic

vision and consciousness, not to mention a strong sense of patriotism. Get out while you still can before 'Israel' sucks you dry.

First it was Bolshevism. Now it's Zionism. And in both instances, Red China means Jew China and the named-names evidence… the hard, direct, named-names evidence… proves it beyond all shreds of skepticism. The only question that remains now is… Will a nation with a history as vibrant as China allow itself to be nothing but a ZOG in service of a "nation" as accursed as the cancer calling itself 'Israel'? Or will it reassert its civilizational glory as well as its place in the pantheon of Global South Resistance and disassociate itself from the Zio-Tumor? With Chinese tycoons like ***Jack Ma enamored with 'Israel'*** and China's political leadership all the way up to ***Xi Jinping pushing to merge China and 'Israel' closer and closer centrally when it comes to technology***, it doesn't look good to say the least. God help the Chinese people. God help us all. And may God damn World Zionism and all of its tribalist agents as well as its collaborators past and present to the Naar.

China, like the Soviet Union was built by the Bolshevik Jews and will be used in the Hegelian dialectic in league with Russia in the coming contrived WW3 against the western powers, as a means to drive the goyim into their gulag of austerity and deprivation in the Zionist Jews long planned Agenda 2030-21.

The Long MarchIf you study history, politics and the Rabbi's magic Lantern "TV" with a critical eye with an understanding of (((their))) secret ingredient that they use and abuse to denigrate and guilt the European into submission with psychological terrorism through the "Marxist Dialectic", being a distorted version of "Hegelian's dialect (Hegel's observations of natural behavior) only then will conclusions start to unravel. Seeing repetitive patterns which, for millennia the money changers have used on us "Goy" to socially change the mood, demographics and cultural landscape and attitude of nations while playing global table tennis with economies of each, transferring at will, financial and economic power to their next level of global policing now being seen as "(((Harbin, Shanghai and Kaifeng Jews)))" former puppet masters to the old psychopath leader "Mao Tse Tung", deep seated oriental looking Jews who are now in full control of China through their so-called! "economic miracle", the miracle that over decades (((Marxist worker's unions))) around the world helped transfer "labour and production" in the guise of "strikes", redundancies, automation, health and safety rules/reg's, minimum wage and the class war" Scam! while the power of the (((merchants))) media weapon of distraction taught us to leisurely consume and without guilt "indulge" but produce nothing!! ….Yes (((Jews))) behind the rise to power of Mao Tse Tung in China who murdered 80 million countrymen'…. and nationalists, being the last line of defense of any nation is always (((their))) ulti-

mate target ….. Link here….  here……. and here….. Take note! Jw's do not fit into a stereo-type that their Hollywood propagandists like to portrait. (See my "Pinterest" photo album of Chameleons) … Link hereThese Chinese looking Jews have certainly done a genocidal job and blended in amongst an unaware automaton, in waiting Police force", a well-groomed "Goy" force, fuelled on misguided colonial fictions of perdition that induces hate towards the Europeans which, to the unaware and well-groomed 1.386 billion Chinese folk justifies redemption against the, now fluoridated, and vaccinated Europeans who's declining birth-rate, street gang drug wars, mental health, cancer and induced apathy epidemic has turned us into profitable customers and more so! sitting ducks for the Jw'sh banker crime families….. Wake up we are being "Monsanto and Sassoon" culled!It must also be noted! a "pendulum axe" swings over China's "goy work force" in the guise of automation. Is this part of the trigger to help their (((Bolshevik masters))) reprogram and stampede a global army to expand their "George Orwell's Dystopia", the road map that shepherds us closer to their "Jewish Dominion/Noahide Law" …… 'Inside China's High-Tech Dystopia'"For Israel to mobilise a major part of its global Police force "China", the nation/people of China would have to believe a major financial catastrophe is looming and one such example that stinks of mortgage manipulation meant to brace up the Chinese while instilling a false sense of security in the west is the recent article in the (((Telegraph Jws'paper))) 26th April 2019 "China can no longer afford the Silk Road, and that is a blessing for the world".. But! One must consider Israel/Jw's being the "Shetar" global accountants in the background, always holding "foreseen bail out solutions" Will trigger another major situation in the west that will enable them to send forth the rest of their customers (China's military) to protect "China's offshore land banks" which are already being manned and secured in ie Africa, Canada, UK, USA, Australia, New Zealand, etc to name but a few. It doesn't take a genius to work such an outcome for "Hypothecated/pledge/Shetar contracts" in wait for defaults to justify land transfers as was previously discussed in the "Yiddish Ambush". Some have claimed with documentary evidences that COVID-19 is British product and I believe it. Later news obtained US shutdown it's virology lab due to claim of COVID-19 production. Now US & it's allied countries blaming against China that COVID-19 is Chinese product. China has also protested against this blame, but not so bold & with zero explanation, means there are something otherwise behind the screen. Initially an Israeli Jew was infected who was in Wuhan. Recently saw a news that Israel is also exercising the COVID-19 production for last four years. I have also claimed that thought a Chinese couple was caught red handed in Canada for stealing COVID-19 sample from Canadian virology institute lab where they went to learn higher degree in virology for developing Coronavirus. But exiled due to stolen sample. In this regard I have made a comment that after failing to achieve higher virology degree probably China taken Israeli help to produce weaponised Coronavirus and Israel help but at the last moment it betrayed with China and viruses has gone outbreak. But someone vilified me against my comment. Now from this post further I am claiming that Coronavirus is also product of UK US China & Israel. And therefore scientists are claiming three dimensional characters obtained in COVID-19 affected areas.
